Committee reported the circumstances connected with the late deliveries of wheat
from the Union Elevator and asked the
beard to investigate the matter. Action
was deferred until May 14, when the matter will be taken up.

The Grain Committee also recommended
that the Railroad and Warehouse Commissioners be requested to establish grade for
standard cats, similar to that of Illinois.
A letter to the Missouri Senators at Washington was drawn requesting them to use
their influence in keeping separate the
Weather Bureau and the Department of
arriculture. A union of the two, it was dedied, would be detrimental to both departments.

It was decided to send the quotations of the St. Louis market to the Kansas City Board of Trade. The board also requested the exchange Reception Committee to take up with Mayor Wells and the business or-anizations of the city the question of ex-tending an invitation to visit St. Louis to the delegation of French officers who will wit this country at the unveiling of the monument to Count Rochambeau at Wash-ington, D.
